## FALL OFFERING

1952

We offer exhibition quality *Cypripedium* and *Cattleya* seedlings. All seedlings offered have been made from the finest stud plants available, having been expertly selected from our famous collection which has received so many awards for its outstanding quality. When mature, many of the seedlings should bring top prices as exhibition plants.

Note: When ordering please state whether or not you will allow us to substitute crosses of equal quality (some of which are not offered in this listing due to small number of plants) if any of those crosses which you desire have been sold out.

CYPRIPEDIUM SEEDLINGS

Price of seedlings is based on length of leaves. Plants with leaves averaging 1-1/2 to 2 inches are priced at \$5.00; those with leaves 2 to 3 inches at \$7.00; those with leaves 4 to 5 inches at \$10.00; and those with leaves 6 inches and over at \$15.00 and \$20.00.
